This template describes the style and formatting requirements of an abstract submitted for the student paper contest. The abstract, **not to exceed 750 words**, comprises four sections: **Background (or Introduction), Methods, Results, and Conclusion**. The titles of each section should be bold. Abstracts must be submitted no later than **7 July 2021**. The typeface used is Times New Roman. The font size of the paper title is 16 point. The font size for the author name(s) is 14 point, while the author affiliations and abstract are 11 point. Please avoid tables, figures and formal references in the abstract.
